# *A foundation for Gathering.*

Designed to be the foundation of any setting, the Gather collection offers a versatile table solution that is anything but basic.

With a choice of frames and bases in black, brushed gold, and white, paired with laminate tops in black, oak, and white, the range balances clean lines with enduring materials. Think of it as the quiet achiever of your event setup: understated, elevated, and always ready to Gather.

The collection extends across thoughtfully designed variations to suit every moment of an event.

Coffee tables are available in a range of sizes and shapes for relaxed lounge settings, while café tables offer flexible size options for casual dining and social spaces. An elegant oval dining table anchors shared moments, complemented by bar tables offered in multiple sizes and configurations.

The result is a collection that adapts seamlessly from intimate gatherings to larger scale events while maintaining a cohesive, design led aesthetic.
